1. This building was on the property when acquired by the University. Title to the property was conveyed to the University by warranty deed executed December 30, 1969 by Charles L. Tuller (Deed Book 3032, p. 210).

2. Mr. Tuller states that he doesn't know when the building was constructed, but it was probably over a century ago. It was, according to Mr. Tuller, occupied for many years by the Smiley family, all of whom are

long since gone.

3. The building was demolished in the summer of 1972, probably about August.
